Presidents Message

Well, here we are again preparing for another reunion. I'm really hoping for a good turnout. We chose San Antonio in hopes of gathering some new LHD members. Neal Davis has done a very good job getting things set up so let's all go and have a great time. We will have trips to PAC War Museum, Busch Gallery, and Nimitz Gallery. Also, Fort Sam Houston Museum and Quadrangle and of course the Alamo along with all the other attractions along San Antonio's famous River Walk. I really believe that the near term future of our organization will depend a lot on the turnout of this reunion. Regarding the Travis Powers issue, his sentencing has been put off more times than I can count. Hopefully we will know his fate by the time of the reunion.

Again, many thanks to those that continue showing their many years of dedication and work for the benefit of our association.
